## The Best Custom Made Cupcakes

Do you have a birthday celebration or a wedding coming up? Perhaps someone is graduating from school soon and you'd like to serve a nice treat at the reception. Or would you just like to try something new that you've never tried before? Here at "Sylvia's Cupcakes" we make the perfect custom made cupcakes for any celebration you may have!

Sylvia's Cupcakes was founded in 1903 by Sylvia Mackensson after serving the cake at her sister's wedding. Working as a baker for almost 10 years, she had prepared her sister's wedding cake herself, along with over a dozen batches of smaller cakes to feed the overhaul of guests at the reception. The little cakes were such a big hit that she decided to open a bakery of her own specifically for making wedding cakes and cupcakes. Today they are best known for birthday and holiday cupcakes.

We are dedicated to satisfying our customers with delicious cupcakes made from only organic and quality ingredients, all gluten free and no added preservatives, freshly baked and ready to eat. One bite into a moist Sylvia-style cupcake and you'll keep coming back for more! Even the President of the United States approves! (He loves our PB&J cupcakes, custom made with his own face on it!)

Customers are urged to preorder their custom cupcakes at least two days before the date of the celebration. You are asked for your name, phone number, and address if you choose our new delivery option! Yes, we now deliver to your desired location! On the date of your celebration or party we'll call for you to pick up your cupcakes, or to let you know the delivery is on its way.

Among some of our fan favorite flavors are our Classic Vanilla, Swiss Chocolate, Double Chocolate Peanut Butter, Lemon Strawberry Swirl, and Pina Colada! But the beauty of our custom made cupcakes is that you can choose your own ingredients! Are you a vegan? Do you have food allergies? Or do you have a new flavor idea, like chocolate- almond butter-banana-caramel -and- sea salt cupcakes? (We might even add it on to the standard menu!) Either way, we've got you covered!

At Sylvia's Cupcakes, your satisfaction is guaranteed!
